

Preventing suppression of authentic information via Hinduism Now broadcasting channel

By the authority vested in me as The Supreme Pontiff of Hinduism and the Head of State of Kailasa, The Living Representative of Paramashiva, by the Constitution and the laws of Sanatana Hindu Dharma as ordained by Paramashiva in Vedas and agamas, it is hereby ordered as follows:

Section 1. Policy. Free speech is the foundation of Kailasa. Our ancestors protected this sacred right by freely spreading scriptural knowledge. The freedom to express and debate ideas is the fundamental right of all people in a religion that has long cherished the freedom of expression; several platforms make selective information accessible for humanity, which cannot be allowed. The authentic information has to be known and conveyed to all of humanity. Many social media platforms and news channels wield immensely if not unprecedented, the power to censor, delete, or disappear information; and to control what people see or do not see, shaping the interpretation of public events such as (but not limited to) the ongoing religious persecution of Hinduism.

Online platforms are engaging in selective censorship of information, resulting in the ongoing genocide of Hinduism being unknown to most practicing Hindus. Most authentic content is published and flagged as "inappropriate" even though it does not violate any stated terms of service. Online platforms and deleting content with entire accounts with no warning, no rationale, invoking inconsistent, irrational, and groundless justifications for censoring content restricting the speech of many practicing Hindus due to the filtering and censorship of the facts of major global events by many, if not all broadcasting channels.

The Supreme Pontiff of Hinduism and the Head of State of Kailasa, my administration, and KAILASA are committed to spreading the authentic information of all events that have happened and will happen regarding Hinduism. Encouraging humanity and all the 2 billion practicing Hindus to understand and engage in free and open debates of such events through a Hindu humanitarian initiative - Hinduism Now, a platform for authentic sharing and revival of Sanatana Hindu Dharma, its science of enlightenment, culture and arts, temple based lifestyle, original scriptures, and other Hinduism-related topics. It aims to share the story of persecution against Hinduism. Unknown to the world has been overlooked by the mainstream media, it acquaints international audiences with a Hindu viewpoint on major global events surrounding Hindus and Hinduism.

Hinduism Now is the official voice of Hinduism – of 2 billion living Hindus, broadcasting news, current affairs, and knowledge via digital platforms in multiple languages to reach out to the vast Hindu diaspora.

It is the policy of my administration and Kailasa to:

1. Foster clear ground rules promoting free and authentic content only via Hinduism Now
2. To provide only authentic information on all Hinduism-related topics and significant global events to be spread to all of humanity
3. Encourage Hindus around the world to exercise their freedom of speech by sending any authentic information on Hinduism related topics and all major global events via Hinduism Now

Sec. 2. Membership and Establishment of a KAILASA'S Hinduism Now Working Group. The KAILASA's Hinduism Now working members group, established to foster and protect diverse viewpoints in today's digital communications environment where all practicing Hindus can and should have a voice.

The working group, co-chaired by the secretary of Dept. of Information and Broadcasting, his designee, and the Department of Global Communication secretary leading the working member's group shall be composed of a representative from the Department of Ministry of Sovereign, Department of Human Services, and the Office of Management and Budget (OMB). Such representatives of other executive departments, agencies, and offices as the Co-Chairs may, from time to time, designate with the concurrence of the head of the department, agency, or office concerned. All Working Group members shall be full-time or permanent part-time, officers or subjects of the Federal Government of KAILASA.

Sec. 3. Responsibilities of the Hinduism Now Working Group. Within one week of this order's date, the Working Group shall develop and submit a report that outlines a service plan to the Supreme Pontiff. Coordination between all relevant stakeholders and executive departments and agencies (agencies) provides Hindus access to all censored information on Hinduism topics. The working group shall also collect publicly and release all information on various online platforms to educate humanity.

Sec. 4. General Provisions. a. Nothing in this order shall be construed to impair or otherwise affect:

1. the authority granted by law to an executive department or agency, or the head thereof; or
2. the Director of the Office of Management and Budget functions relating to budgetary, administrative, or legislative proposals.

3. This order shall be implemented consistent with applicable law and subject to the availability of appropriations.
4. This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against KAILASA, its departments, agencies, or entities, its officers, volunteers, or any other person, or against any nation's integrity or laws.
