

Hindu Heritage Month

November 26th, 2021

Hamilton is home to a vibrant Hindu community with a rich culture, diverse heritage and deep history.

Hindu Heritage Month is an opportunity to recognize and celebrate the many contributions of Hamilton's Hindu community.

Hindu Canadians have made significant contributions in every field of endeavour including science, education, medicine, law, politics, business, culture and sports.

Hindu Canadians have played an important role in helping to fight the COVID-19 virus. Hindu organizations like KAILASA Canada have stepped up to raise funds, donate meals for the most needy and support our seniors during the pandemic times.

Hindu Heritage Month provides an opportunity for everyone in Hamilton to learn more about the ways the Hindu community has helped build our city and it provides a chance to celebrate the rich tradition of the Hindu community.

I welcome this opportunity to acknowledge the many valued contributions that the Hindu community in Hamilton has made to strengthen our community and society as a whole.

I am honoured to extend greetings to the Supreme Pontiff of Hinduism Jagatguru Mahasannidhanam, His Divine Holiness Bhagavan Nithyananda Paramashivam, KAILASA Canada as well as the global Hindu Canadian community.

I wish all Hindu Canadians a very happy Hindu Heritage Month.

Yours Sincerely,

Fred Eisenberger
Mayor
