Respected Sathsang,

Namaste!

I pray to Lord Mahakaleshwar and divine mother Kalikambal to bless His Holiness Sri Nithyananda Swamigal on his Janma Dina Utsava to be celebrated on the Chithra Nakshatra of the holy month Margazhi ( 7th of January 2021).

Sri Swamigal has been preaching the relevance of the Sanatana Dharma to people around the world selflessly .

He has been serving the people who are in need of both mundane and divine world.

His lectures on the relevance of temples and the people associated with it , namely the Acharyas, Archakas, Silpis, Adhyayana Battars, Oduvars , Nadaswara Vidwans, Dancers , Singers and all the dedicated ones has brought an awareness to the younger generations who were greatly convinced and have begun practicing and patronising the ancient system.

Sanatana Dharma is an eternal system which has no beginning or end.

Bhoga Karika and Moksha Karika , the texts of Siddhantha Saivism written in the tenth century details that mortal body we have been given is to exhaust our Karmas and reach Lord Siva's abode.

Hence, whatever happiness or sorrow we undergo is only temporary and a seer who is always connected to the divine will not be disturbed by the distractions that take place in the mundane world for the mortal body but continue their travel towards the immortal - The Pathi .

May all the Sath Sankalpa of His Holiness be blessed with success by the grace of Sri Mahakaleshwar and the divine mother Kalikambal.

In service of Lord Siva,

Swami Sathasivom Swamigal
