

# eN-Genius : International Camp to Awaken the Highest Potential of Children

By the authority vested in me as The Supreme Pontiff of Hinduism and the Head of State of KAILASA, The Living Representative of Paramashiva, by the Constitution and the laws of Sanatana Hindu Dharma as ordained by Paramashiva in Vedas and Agamas, it is hereby ordered as follows:

**Section 1. Purpose.** My administration and KAILASA is committed to provide the next generation with a true awakening to realise their highest potential. Research shows that children in their early years have the capacity to absorb all the information around them. A child's potential is strongly influenced by the environment they grow up in. The Federal Government of Kailasa aims to create the perfect environments for children through spiritual awakening camps such as eN-Genius which focuses on developing the genius in every child by stimulating their higher-order thinking skills, awakening positive self-esteem, fostering teamwork, and strengthening their internal locus of control.

When young children are introduced to an enriching environment conducive to learning early in life, they often have higher IQ (Cognitive Intelligence), EQ (Social-Emotional Intelligence) and SQ (Spiritual Intelligence) scores. If a similar kind of experience for the same period of time is provided when a child is 15 years old, the impact on the child will be significantly less. These early experiences are critical for the development of the child. The eN-Genius Camp is just designed to awaken and express the extraordinary dimensions in every child through all areas of growth while retaining the essence of the true Vedic Learning System through the enlightened based learning.

**Sec. 2. Policy.** It is the policy of my administration and KAILASA to Children from all backgrounds to awaken their true potential and to become successful and thriving leaders. All eN-Genius camps must include these core concepts

1. Whole Brain Learning
2. Right Brain Stimulation
3. Brain Yoga
4. Quantum Memory
5. Confidence – High Self Esteem
6. Vedic Culture including stories of enlightened beings, theatre, pottery making, rangoli, sculpting etc.
7. Creative and Performing Arts

**Sec. 3. Establishment of a Kailasa's eN-Genius Group.** Kailasa's eN-Genius Group is hereby established to create an "environment to produce leaders for the next generation".
