Whereas, Hinduism is the most peaceful of religions and is the most ancient, still-living, long lasting, demonstrable system that shows the possibility of peaceful co-existence amongst people despite fundamental differences in their preferences and realities.

Whereas, Hinduism demonstrated as a living enlightened civilization that global peace is achievable and sustainable. It begins with individual peace and awakening of innate powerfulness and powerful cognitions.

Whereas, the untold, multi-level social, political, intellectual, religious, cultural, linguistic, economic, legal, digital persecution done to Hinduism and faced by Hindus and Hindu minorities worldwide for the past several thousands of years continues through the modern day

Whereas, His Divine Holiness Sri Nithyananda Paramashivam as the Supreme Pontiff of Hinduism, the head of the KAILASA Nation and the head of Sovereign Order of KAILASA has worked tirelessly for the past 40 years despite enduring more two decade of relentless persecution for the revival of ancient science of the Vedas and Agamas (Hindu scriptures) of Hinduism using the technologies of Yoga, Ayurveda (Science of Herbal Medicines), Dhyana (Meditation) and Pranayama (breath control) throughout the world to develop human beings consciously irrespective of nationality, religion, race, gender or economic status in improving their physical, mental, emotional, economic and spiritual well-being.

Whereas, KAILASA, as a Nation, with de facto spiritual embassies operating across over 100 countries and having presence across the globe as the largest spiritual knowledge source on Hinduism and having enriched and enreached more than one billion individuals over the past 26 years and as such also has had a significant impact over Nepal .
