

# *Message from His Worship Mayor Amarjeet Sohi*

On behalf of City Council and the people of Edmonton, I want to wish you a wonderful Tamil Heritage Month celebration!

In the four decades that I have lived in Edmonton, I have been delighted to see so many of India's beautiful cultures being celebrated here in Canada. I have also witnessed how Tamil immigrants and their families have continually contributed to the vibrancy and prosperity of our city.

The 21 women being honoured today are a great example of this. Their stories serve as an inspiration for our community and future generations. I want to thank each of them for their contributions to our city.

And thank you to SHRIKAILASA Uniting Nations and KAILASA Canada for their continued work to preserve Tamil heritage and promote gender equality.

I hope you have a joyous event!
